Hi Randy,

Unfortunately, the call was set up by our upper management and we were invited to the call at the last minute. However, for any future calls, we will do what we can to make sure you are involved/included.

Debra

Ex. 5 Deliberative Process (DP)

If possible, and for situational awareness, would it possible for me to be included on any future calls? Our RA and Ag Coordinator like to stay abreast of any potential issues that may arise and I always like to be positioned to relay the most accurate information if they do get a call from any of their state counterparts.
